Dear Teach Peace Family:

We have so many things to thank God for seeing how he is touching you to reach out to us among others. Looking at how you continue to come to our aid, we are grateful to each of you who are working so hard to ensure that people around the world including Liberia gets help at their point of need.

The expression of gratitude is actually difficult to be shown or express in words.

Our special thanks from the bottom of our hearts for the clearing of our debts with the teachers. It was a total nightmare. God bless each of you for this kind gesture.

We want to extend our appreciation to all of you again for the renovation works on the roofs, doors' locks and frames with painting of two houses. As the need for security is gradually met, we are moving forward.

It is our fervent prayers that God will continue to bless you all as you affect the lives of so many persons.

Know that you are in our prayers.

Sincerely yours,

Nita S. Wilson
